## **Corpus Fund Appeal**

**Introduction:** Foundation for Children in Need, is a not-profit organisation established in 2005 at Porumamilla, Kadapa District, Andhra Pradesh. FCN has made significant impact in helping the needy in India. Through the sponsorship program, FCN has provided education and assistance to thousands of needy students, elderly and physically challenged individuals. FCN has undertaken initiatives such as free corrective surgeries for poor children born with Cleft Lip and Cleft Palate. FCN supports individuals suffering with Muscular Dystrophy. FCN annually distributes clothing, blankets, school supplies, inspirational books and sewing machines to thousands of needy. During natural calamities and challenging circumstances, such as Tsunami, Hud-Hud and Covid-19, FCN has actively participated to provide care and comfort to thousands of needy persons and families.

Thanks to generous donors, we have completed the development of FCN Home, near Shadnagar, Hyderabad. This home currently serves 50 elderly and physically challenged individuals, with room for more, and has become a hub for various charitable activities, welcoming participation, donations, and volunteers from individuals and institutions alike. The work of FCN is an inspiration to many.

FCN is governed by the Board of Trustees, all of whom are deeply committed to helping the poor. FCN is dedicated to continuing its good work for generations to come.

**The Need for CORPUS Fund:** The purpose of the FCN Corpus Fund is to provide a sustainable source of continual financial support for the Foundation for Children in Need to carry on its various activities for generations to come. Dr. Geetha Yeruva and Thomas Reddy Chitta, Founders of FCN have dedicated their lives to help the poor and needy for decades. Their desire to continue
